

All About Me Rubric

Ms. T. Rowe

Student Name – Scott Anakaer

Student Learning Objective:

We will learn how to use technology to demonstrate their learning on a specific topic looked at in class

We will learn the basic of setting up a wikispace for you to use throughout the semester to journalize your thoughts and contributions to the class by using technology.

Evaluation	1	2	3	4
Wiki has been set up correctly with login and address				Yes
Wiki has appealing setup, color choices, text, and navigation that is user friendly	-Setup is not appealing -Color choices don't work -Text cannot be read -No navigation	-Setup is ok to look at -Color choice is fine but isn't easy to look at -Trouble reading text -Navigation doesn't always work	-Setup is easy for user to look at -Color choice is somewhat appealing -Text is good but needs work -Navigation works most of the time	-Setup is appealing for the reader/user -Color choice is great -Text is easy to read -Navigation works completely
Students is able to embed files, pictures, and videos	Nothing is embedded on the wiki	Student can embed one of the three to the wiki	Student can embed two of the three to the wiki	Student has embedded all three elements to the wiki
Student included information about who they are.	Little information is provided	Student provided 1 or 2 points of information but no pictures, video, etc...	Student provided enough information that you are beginning to know their likes and dislikes.	Wow!!! There are pictures, videos, well-constructed sentences. Awesome job.
All pages include appropriate amount of text, pictures, and video	Pages just have videos, pics, or text on their page	Pages use small amount text and overuses pics and video	Pages are setup ok with minimal thought given to text, pictures, and video	Pages are thought out with full and complete sentences with a balance between using text, video, and pics

Very little accomplished. If you do not understand... ASK! You have been provided time to work on this in class. How you use this time is up to you. Ms. Rowe is here to help!
